Make sure Call of Duty®: Black Ops® 2 is run from the correct folder. Help. when i try to launch call of duty black ops mw2 i get an error message saying "cant load syscheck config"Wednesday, November 14, 2012 {MOTHER'S DAY!} Before heading out to dinner today, I made a spot cake in honor of my mom. These mommy and me mini cupcakes are super easy. I got the idea from someone on Pinterest. They look so cute, it was hard to resist! I love this recipe, because all you have to do is use a piping bag and put the batter in the center... pretty easy! And if you want them small, you can just cut the tip. I think the little ones taste just as good as the regular sized ones. I added a big snowflake to each one and they were a perfect match to our spring-like weather. :) No comments: Post a Comment Meet Me Hi there! Thanks so much for stopping by and reading my blog. My name is Lisa and I am a certified personal chef, food stylist, and photographer. My blog is where I share my passion for crafting an artistic and culinary lifestyle, one that is visually beautiful and filled with stunning dishes and whimsical ingredients. You'll also find my thoughts and experiences of my everyday life along with tips and tricks on crafting an at-home entertaining lifestyle. I truly enjoy living life and sharing my thoughts and recipes with you all.Q: Removing middle slash from urls I am using common URL Rewriter module for WordPress. I want to remove middle slash of the urls. I know in RewriteRule I can use /(.*)\// to remove middle slash from urls, but in my case i can not remove middle slash from urls. In _clean_urls() function i am redirecting all other / to: \$redirect_slash = 1; \$redirect_to = str_replace('/', '', \$url); In _rewrite_rule() function i f678ea9f9e
